Dear Mr. Weisberg:

This is in reply to your letter of July 21, 1969.

The records of the Warren Commission do not include copies of any of the documents listed in your letter except the "authorization for post-mortem examination signed by the Attorney General." An electrostatic copy of this paper is in the autopsy file for President Kennedy, and we assume that a copy of it was furnished to you with the copies of other papers in the files. Enclosed is a copy of this paper. Unfortunately, we do not have a better copy of it.

No additional material relating to the autopsy of President Kennedy has become available.

Sincerely,

HERBERT E. ANGEL
Acting Archivist
of the United States
